

## Are you Prokura's new Senior Consultant?

Do you have at least 2-3 years of experience within consulting and looking for an exciting job **characterized by a high degree of autonomy and responsibility, unmatched by any other consultancy in Denmark?**

If positive, you have a unique possibility to apply for a position as a Senior Consultant in Copenhagen, Denmark and become a part of our young and dynamic organization.

### What we do

- We are specialized consultancy within procurement and supply chain
- We focus on impact and where results are visible during or immediately after the engagement
- Projects will range from strategy to direct optimization including:
  - Procurement organization setup
  - Category optimization
  - Trainings
  - Fast-impact bottom-line support (RAPID)

### What we offer you

- A lot of responsibility early on in your track - training on-the-job as a big part of your start at Prokura
- Coaching and training junior members of the teams
- To become a part of a Nordic company, consisting of a team with diverse backgrounds
- Interesting projects touching not only procurement and supply chain, but multiple parts of our client's business

### Who you are

- You are expected to be self-driven by taking and owning the responsibility given to you for your project
- You are strong in both conducting and interpreting analytics, and communicating your insights appropriately to the audience
- You are motivated to work on challenges together with people and thrive through teamwork
- Fluent in English— both written and oral

The position is a full-time position. Business travel should be expected, since you partially will be working at our client's site. Please specify in your application which office you would like to apply for. We will interview relevant candidates on an ongoing basis.
